

### Conditional Acceptance Declaration – Semester 1 2026

This declaration is to be completed by students admitted to the Australian National University, conditional on completion of the UNSW College Standard Foundation Program. The completed conditional acceptance declaration should be submitted alongside the ANU Offer Acceptance Declaration and Payment Advice Form to [acceptance@anu.edu.au](mailto:acceptance@anu.edu.au).

#### Student Declaration:

- By accepting my conditional offer to The Australian National University, I acknowledge and accept the following:
  - I understand that my application has been initially assessed based on my partial completion of the UNSW College Foundation Studies Program, and a Confirmation of Enrolment (CoE) will be issued to allow me to apply for my student visa.
  - I understand that I am required to submit proof of completion of the UNSW College Foundation Studies Program with a grade of “B” or more in Academic English before I make arrangements to travel to Australia.
  - I acknowledge that failure to provide the required documents by 15 January 2026 will result in the cancellation of my enrolment and cancellation of my CoE.
  - I do not currently hold a CoE for any qualification at any other Australian institution.
  - I acknowledge that by accepting my offer to ANU and receiving a CoE, I may be ineligible to accept an offer at any other Australian higher education institution, and that if I want to seek entry to another institution before completing 6 months of my principal program, I may need to apply for Release from ANU, as per Standard 7 of the *National Code of Practice for Registration Authorities and Providers of Education and Training to Overseas Students 2018*.
  - I acknowledge that ANU will only approve Release for international students to transfer to a different provider in circumstances that comply with:
    - the *Education Services for Overseas Student Act 2000*;
    - the *National Code of Practice for Registration Authorities and Providers of Education and Training to Overseas Students 2018*;
    - International Student Visa requirements;
    - the University’s *Transfer between registered providers (release for student visa holders)* policy and procedure; and
    - within the context of the information provided on the University’s *Withdraw from a program as an international coursework student* webpage.
